EXTERNAL TO GT

Steven,

We are in receipt of your letter. We have done some research into the platform Teva proposes to use and Plaintiffs do not agree to Teva's proposal to use CMML for review and production of documents to Plaintiffs at this time, but are willing to meet and confer regarding Teva's proposal in order to better understand how Teva proposes to use the platform. Please let me know when you are available next week to meet & confer.

Best regards,

Behram
